

2022-23 ESSA-Funded Programs Self-Assessment Monitoring - 2023

Background/Introduction - Background/Introduction

Background

--Entity Name-- - --Institution BEDS Code--

Federal requirements mandate that State Educational Agencies (SEAs) provide technical assistance to Local Educational Agencies (LEAs), as well as oversee and monitor the implementation of *Elementary and Secondary Education Act* (ESEA) as reauthorized by the *Every Student Succeeds Act* (ESSA). These responsibilities represent some of the primary work of the Office of ESSA-Funded Programs at the New York State Education Department (NYSED or "the Department").

While the underlying mandate of monitoring is compliance-focused, the Department recognizes that compliance is the minimum requirement in a system focused on continuous improvement. In order to expand the focus of NYSED's monitoring activities, we will use the Self-Assessment Monitoring process to engage with staff from LEAs throughout the state to provide technical assistance with the goal of ensuring the effective implementation of programs that maximize outcomes for students.

It is recommended that LEA Title I Directors spearhead the Self-Assessment Monitoring process at the local level in order to ensure the accuracy of this self-assessment survey's content. After the survey is complete, the Superintendent/CEO must log-in to the Business Portal and certify/submit the completed self-assessment to attest to its validity.

Submission Instructions

LEAs are asked to complete each section of the "2022-23 ESSA-Funded Programs Self-Assessment Monitoring" survey. Please note:

- A response of 'Yes' or 'No' is required for each question, and an explanation is requested for each item given a response of 'No'.
- If a question has not been completed, the business portal will highlight it in red and that section of the assessment survey will be flagged.
- The LEA will be unable to submit the Self-Assessment to NYSED for final review if a required question remains unresolved.
- The Self-Assessment may only be submitted/certified by the superintendent/chief school officer of the LEA. The designated superintendent (public school LEAs); and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs), are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed Self-Assessment for NYSED review.
- LEAs are NOT REQUIRED to send hard copies of Self-Assessment materials to the Department.
- "2022-23 ESSA-Funded Programs Self-Assessment Monitoring" surveys are due to NYSED by August 22, 2023.

Questions about the "2022-23 ESSA-Funded Programs Self-Assessment Monitoring" survey/process can be directed to the Office of ESSA-Funded Programs at 518-473-0295 or via email at conappta@nysed.gov.
