

*Accessing the Business Portal and Assigning User Rights*

<http://portal.nysed.gov>

\_\_\_\_\_ to ensure that user accounts and user roles are up-to-date

As the Department transitions to its new online process, your input will be valuable in ensuring that the tools and resources created effectively support the programming and planning needs of LEAs across New York State. Additional guidance material will be issued by the Office of ESSA-Funded Programs to provide on-
